Re: DA 01-1264 (NASA Petition for Inquiry into Network Practices)

Dear Ms. Dortch:

On Wednesday, December 3, 2003, Harry J. Pappas, Chairman and Chief Executive Officer, Peter Chrisanthopoulos, President and Chief Operating Officer, and Peter C. Pappas, Executive Vice President for Government and Regulatory Affairs of Pappas Telecasting Companies (the "Company"), met with Jonathan Cody in Chairman Michael Powell's office, to register Pappas's support for the position of DirecTV as set forth in its Ex Parte Petition for Expedited Action relative to the pending Applications for Review and Petitions for Reconsideration of EchoStar's "two-dish" policy.

The Company also expressed its support for multicast must-carry relative to all free over-the-air digital programming.

Lastly, the Company expressed its view that the Commission should act on the NASA Petition and uphold a broadcaster's right to preempt network programming.
